

Lead Echocardiograph Technician

At Saint Joseph Hospital, you can experience the career you've always envisioned. In our state-of-the-art environment, you'll work with the latest technology alongside a friendly team of talented, compassionate professionals. And you'll enjoy the benefits that come with being part of Resurrection Health Care, one of the most respected health care systems in Illinois. Currently, we have an excellent opportunity available for a Lead Echocardiograph Technician. Learn more about this crucial role today, and discover the personally and professionally fulfilling career we have to offer.

In this position, you will lead a team of ultrasound technicians in the completion of all ultrasound exam requests within your department. This involves coordinating staff activities, maintaining equipment, and assisting with exam order coding, sequencing, scheduling and preparation.

To qualify, you must be a graduate of an accredited radiologic technology program with 3-5 years of applicable experience, including recent experience as an ultrasound technologist. Our ideal candidate will have 2-3 years' experience as an ultrasound technologist and current ARDMS or ARRT ultrasound certification.

As part of our team, you'll receive excellent compensation and outstanding benefits. For more information and to apply, e-mail jode.spriggs@reshealthcare.org or fax: (773) 665-3674
